

**for Applied Science Universities/Fachhochschulen/Hochschule für angewandte Wissenschaften**

Available nationally for Germany & Austria  
 Any time start during 1.Sep.2020- 31.Aug. 2021

**OFFER to Bayerische Staatsbibliothek consortium - 1 year access**

- Cambridge University Press's EBA offer for applied sciences is for access to **ALL Frontlist and Backlist content**. All applicable Cambridge Core ebooks are available through the following three applied sciences packages: **Full / Humanities & Social Sciences / Science Technical Medicine**.
- For the duration of this 12 months EBA we will add new content on a monthly basis to the respective packages. This also includes the content we host for Partner Press Publishers. The number of Partner Presses may change from time to time. Access provided is for all backlist and frontlist content years, inclusive of forthcoming titles. **Currently for the FULL applied science package this is access to over 21,000 titles, worth more than 2.4 million pounds.**
- At the end of the 12 month period, the **institution decides their selection** of books from the Frontlist or the Backlist to keep in perpetuity. Title selection should happen in month 13. The cost of the ebooks are shown further below: "eBooks Standard Pricing 2020" but these are subject to be changed.
- Universities of applied sciences (Fachhochschulen & Hochschule für angewandte Wissenschaften) can **place an EBA order any time during 1.September 2020 and 31.August 2021**. For example if the institution decides the EBA start date to be 1st June 2021, then this will end on the 31st May 2022.
- Cambridge University Press is not restricting this offer to take effect based on a number of participants. Our aim is to **advance knowledge** and our mission is to **unlock people's potential with the best learning and research solutions**.

**Useful Cambridge EBA Facts :**

On average a typical German/Austrian institution taking the full collection:

- > only pays for 5.6% of the total value of all titles used during the EBA.
- > circa 87% of the content used is for FREE!
- > circa 37% of usage happens in the frontlist and 63% in the backlist.
- > would pay over £350,000 under a PDA model (based on 3x or more usages)!
