

OFFER to Bayerische Staatsbibliothek consortium - 1 year access

- Cambridge University Press's EBA offer is for access to **ALL Frontlist and Backlist content**. All applicable Cambridge Core ebooks are available through the following three packages: **Full / Humanities & Social Sciences / Science Technical Medicine**.
- For the duration of this 12 months EBA we will add new content on a monthly basis to the respective packages. For the full package this is approx. 1100 - 1200 titles per year. This also includes the content we host for over 4400 titles from our 14x Partner Press Publishers. The number of Partner Presses may change from time to time. Access provided is for all backlist and frontlist content years, inclusive of forthcoming titles.
Currently for the FULL package this is access to over 38,000 titles, worth more than 4 million pounds.
- At the end of the 12 month period, the **institution decides their selection** of books from the Frontlist or the Backlist to keep in perpetuity. Title selection should happen in month 13. The cost of the ebooks are shown further below: "eBooks Standard Pricing 2020" but these are subject to be changed.
- Academic institutions, Research Institutes, Regional/State Libraries and Fachhochschulen can **place an EBA order any time during 1.September 2020 and 31.August 2021**. For example if you decide the EBA start date to be 1st June 2021, then this will end on the 31st May 2022.
- Cambridge University Press is not restricting this offer to take effect based on a number of participants. Our **aim is to advance knowledge** by giving access to all our content for a whole year!

Useful Cambridge EBA Facts :

- On average a typical German/Austrian institution taking the full collection:
- > only pays for 5.6% of the total value of all titles used during the EBA.
 - > circa 87% of the content used is for FREE!
 - > circa 37% of usage happens in the frontlist and 63% in the backlist.
 - > would pay over £350,000 under a PDA model (based on 3x or more usages)!

OFFER via Bayerische Staatsbibliothek consortium - 3 year access

• Cambridge University Press's EBA offer is for access to **ALL Frontlist and Backlist content**.

All applicable Cambridge Core ebooks are available through the following three packages: **Full / Humanities & Social Sciences / Science Technical Medicine**.

• For the duration of this **special discounted EBA of 3 years** we will add new content to the respective packages on a monthly basis. For the full package this is approx. 1100 - 1200 titles per year. This also includes the content we host for over 4400 titles from our 14x Partner Press Publishers. The number of Partner Presses may change from time to time.

In the 1st EBA year, access to the FULL package includes over 38,000 titles, worth more than GBP 4,000,000.

In the 2nd EBA year, access to the FULL package includes over 39,000 titles.

In the 3rd EBA year, access to the FULL package includes over 40,000 titles.

• At the end of each year, the **institution decides their selection** of books from the Frontlist or the Backlist to keep in perpetuity.

As access continues, title selection should happen in month 13/14. The cost of the ebooks are shown further below: "eBooks Standard Pricing 2020" but these are subject to be changed.

• Academic institutions, Research Institutes, Regional/State Libraries and Fachhochschulen can **place an EBA order any time during 1.September 2020 and 31.August 2021**.

For example if you decide for the 3 year EBA start date to be 1st June 2021, then this EBA for the 1st year will end on the 31st May 2022. The second year will therefore cover the period 1st June 2022- 31st May 2023. The third year EBA would then start 1st June 2023 and would finish 31st May 2024. All 3 years are however based on the below 2020 prices!

• Cambridge University Press is not restricting this offer to take effect based on a number of participants.

Our **aim is to advance knowledge** by giving access to all our content !
